Summary

I'm a web developer with a background in Computer Science. Proficient in developing websites, full-stack web apps and API's with Reactjs and Nodejs, but I'm able to pick up new technologies with ease.
Technologies I work with include Java, Javascript, Reactjs, Nextjs, Typescript, Tailwind CSS, Nodejs, Express, Nestjs, MongoDb, Mysql, Postgres SQL, REST, Git, Figma, WordPress.
Motivated by constant growth, I love learning new technologies and expanding my horizon.
I'm able to self-manage and deliver assigned tasks in a timely manner.
